Attn: Port Director – Progreso

My name is _____, and I am a general aviation pilot with/and/or Director of Aviation for _____ based out of Weslaco, Texas.

I would like to request an overflight exemption for the period of one (1) year. We will enter the U.S. from Mexico. I will be flying from and into the Weslaco Mid Valley International Airport (KT65). Enclosed is the 442 and 442a form as required.

The purpose of my request is I/we have/own a hangar at the Weslaco Mid Valley International Airport and a business office located at _____. I/We make private flights to _____ with several business partners, associates and employees.

I am a U.S. citizen and the aircraft I/we operate is a U.S. based and register aircraft. I/We fly a _____ aircraft registered to _____. The aircraft is IFR capable with a mode C transponder (altitude reporting) and is compliant with the overflight rules and regulations.

I/we will be traveling into the U.S. with standard luggage and basic household goods and clothes. I will not be flying food, seeds or anything agriculturally restricted. The privilege to fly direct into Weslaco, Texas will save me/my/our business significant money and time flying in to an International Point of Entry Airport.

I look forward to a favorable response and should you require additional information, I can be reached at _____.

Respectfully,
